

LEARN FSMC RFP Q&A 4/5/2024

Q: We did not expect to see LEARN on the list of districts going out to bid this year, can we ask why?

A: With the end of our Interschool Agreement with Goodwin University Magnet School System June 30, 2024, CSDE has determined we have had a material change in our current FSMC contract. Therefore, we are going out to bid this year for our 5 LEARN schools/programs.

This is the only question we received.
